## Replacement aftermarket lamps for GX48L (aka 05-1311) and GX48VZ (aka 05-1312)

UV SuperStore is proud to announce our newly designed replacement UV lamps for the 05-1311 and 05-1312 Atlantic Ultraviolet™ A2400 and S2400 UV systems. Our lamps are direct drop in replacements and require no modifications to the equipment. Also these lamps offer similar ultraviolet output as the original OEM design with higher output after 10K hours and at a substantial savings.
